

This is Greenhouse Goodness.

Let our veggies guide you through the wonderful world of math!

Dive into addition, subtraction, and multiplication with our Greenhouse grown tomatoes, cucumbers, and peppers. Keep an eye out for our smiley-faced friend, he's here to challenge your skills at the highest level!

easy

addition & subtraction

3 tomatoes + 2 tomatoes =

5 cucumbers - 3 cucumbers =

intermediate

multiplication & division

6 peppers ÷ 2 peppers =

2 tomatoes × 4 tomatoes =

3 bees × 3 bees =

9 bees ÷ 3 bees =

hard

solve for G

5 smiley faces G + 3 smiley faces = 2 smiley faces G + 15 smiley faces

G =
